TITLE OF ORDINANCE: Special

DEPARTMENT REQUESTING ORDINANCE: Purchasing

SYNOPSIS OF ORDINANCE: An ordinance approving the award of I.T.B. No. 7482 for the purchase of two (2) 1-ton dump trucks for the Park Department.

IF NOT LOWEST, WHO WAS AND WHY WERE THEY NOT AWARDED:

Specifications required bidders to meet a 10,000# towing capability and all three bidders met this requirement. However, the two (2) low bidders exceed the "Gross Combined Weight Rating" (GCWR) as stated by their manufacturer. The GCWR for these two trucks must accommodate both the 10,000# Gross Vehicle Weight (GVW) of the loaded trailer And the GVW of the truck.

The two low bidders failed to take into account the weight of crew, supplies and transportable truck cargo in their bids. Their units as bid would therefore exceed their respective manufacturers limits for GCWR.

The only bidder to meet and exceed this requirement is Allen County Motors.

EFFECT OF PASSAGE:

Purchase of two (2) 1-ton dump trucks for park maintenance activities and transport of high production mowers.

IF REPLACEMENT, WHAT NECESSITATES:

Both trucks will be assigned to the Areas Maintenance Grounds (AMG) (mowing functions) for transport of our heavy duty, high production mowers. Two existing AMG trucks will be transferred in-house to address current needs. One will go to Gardens and the other will be assigned to the new Kreager Park operations.

EFFECT OF NON-PASSAGE:

We will not be able to trailer our high production mowers throughout the City.

MONIES INVOLVED: Allen County Motors \$63,986.80

PRICE AGREEMENT: PURCHASE ORDER: YES

## MEMORANDUM

Date: October 13, 1997  
To: City Council Members  
From: Ken Lozo, Manager of Safety and Operations Support *Kme*  
Subject: Purchase of two 1-ton trucks

The three bidders listed below responded to bid documents for the purchase of two 1-ton trucks for our Grounds Maintenance Section.

**BIDDERS: Combined bid for two trucks:**

Allen County Motors	\$63,986.80
Ben Davis	\$53,108.98
Kelly Chevrolet	\$55,324.00

Bid documents required the vehicles to pull a loaded trailer with a 10,000# GVW (Gross Vehicle Weight). All three bidders met the towing requirement, however only Allen County Motors met the legal and overriding requirement that the gross combined weight of the truck, truck cargo and loaded trailer not exceed the manufacturer's GCWR (GROSS COMBINED WEIGHT RATING).

Once fitted with a dump bed (body), winch and storage boxes, the two low bidders would exceed their respective manufacturer's GCWR. In addition, they did not factor the live load of the crew, supplies and transportable truck cargo in their bids. One low bidder also failed to meet the hitch specifications.

Using either of the two low bidder's vehicles would place the city as well as the truck operators at risk. We would immediately void the manufacturer's warranty due to overloading.

We recommend approval of Allen County Motors bid for two trucks at a total of \$63,986.80.
